Manufacturer:	NINGBO MAXCON MEDICAL TECHNOLOGY CO., LTD
Brand:	MAXCON
Product:	Sharps Container
Website:	www.maxcon.net.cn
Email:	jing.chen@maxcon.net.cn
Phone:	+86 83867806
Address:	No. 30 Dongbei Road, Dongqiao Town, Haishu District, Ningbo City, Zhejiang Province, 315157, P.R. China

Technical Characteristics

1. Container:

1.1. Made of high-density polypropylene; rigid and resistant to hospital puncture and cutting waste, perforation, impact and accidental drops.

1.2. Side gripping handles at the ends for safer handling.

1.3. Support device compatible with point-of-use installation.

1.4. Adjustable lid with hermetic closure.

1.4.1. Funnel-shaped tab system that helps prevent retrieval of material deposited inside.

1.4.2. Semi-translucent lid to allow visual inspection of the container contents.

1.5. Red body, identified with the biohazard / hazardous waste symbol.

1.6. Capacity range from 1 L to 25 L. Available presentations and references: 1.4 L (REF. MA 1122), 3.8 L (REF. MA 1311), 7.6 L (REF. MA 1324) and 22.7 L (REF. ME 1271).

1.6.1. Fill-level indicator to comply with the 3/4 filling limit.

1.6.2. Large, visible Spanish labeling with biohazard symbol for clear identification.
